We make a special offer of a very large and grand collection of ORCHIDS, being the very finest species, and varieties from our immense stock, and also including many recent purchases, and the entire lot are in the very finest health and condition, and all are offered will induce purchasers to send in liberal orders.

We have made many special offers of orchids to our patrons, but seldom have we offered a finer lot than quoted in this list. Some idea of the stock will be conveyed than it is stated, that many of the lines in price list, represents hundreds of plants, and this enables us to select only specially fine plants when orders are sent.

We very earnestly invite the inspection of intending purchasers. Purchasers are reminded that they run no risk in sending orders, by letters, telegram or telephone as we supply all orders on the distinct condition, that should any plants sent not be found equal to description or in any way not satisfactory they may be at once returned.

All orders shall have our most careful attention.

We also keep in stock a fine grade of orchid peat, live sphagnum moss, pot hangers, orchid baskets, pots and pans.
